Group Art Unit: 2116

FIRST AMENDMENT UNDER 37 CFR §1.111

Commissioner of Patents and Trademarks
Alexandria, VA 22313-1450

Applicant respectfully request a two month extension of time in which to respond to the Office Action mailed on August 12, 2004, such that this response is due on January 12, 2005. Enclosed please find a credit card payment form for authorizing a charge of \$225 fee for filing this response.

In response to the Office Action above-mentioned, please amend the above-identified United States patent application as follows:

In the Claims

Kindly amend the claims 38, 41, 44, 45, and 47-50 as follows:

38. (Amended) An Internet communication system comprising:
- (a) communication means connected to the Internet and rendered operable for sending communication information through initiating an outgoing communication link to an offline communication device;
 - (b) a control system for controlling operation of said communication means;
 - (c) operating instructions available to said control system for requesting said
